Follow the steps below to login and access your P&A benefit account(s). It's fast, easy and allows you to have 24 hour access to your accounts!

Go to the P&A homepage at www.padmin.com and navigate to the blue login tab at the top of the homepage. Select Employees.

Log into your account underneath the My Benefits Account Login box. Enter your username and password credentials and click the “Submit” button. NOTE: If you press the Enter key on your keyboard instead of “Submit,” it will not work. If you are a first time user, please click on the “First Time Logging In” link located near the submit button. You will then be prompted to create a username and password for your account.
Once you log in you will reach your “My Benefits Summary,” which lists the summary of each plan made available to you through UNC Asheville.

Click “Show/Hide Plan Details” on your plan summary to see your claims submitted, pending claims, claims paid and contributions.
